Mr. Austin M. Pothwell,

6045 Dorchester Avenue,

Chicago, Ill.

Dear Sir:

I have had the letter which you sent the Registrar handed to me. At present there seems to be no probability that there will be a position in German in University College, Toronto, such as you desire. I will keep your name, however, because it is quite possible that in the not distant future there may be a vacancy and meantime I shall be glad to have any testimonials that might be given in support of your candidature.

Yours sincerely,

President.
